Planning for your trip

Thank you for choosing a vacation aboard Splendido. Here are a few tips to make your vacation more comfortable.

Before your trip

- Splendido accommodates six guests for overnight stays in three double cabins. Three sets of sheets/pillowcases and six towels are provided.
- Please pack with soft-sided luggage such as duffel bags to enable stowage of your luggage. There is no room aboard for wheel-on or hard-side suitcases.
- Plates, cutlery, pots, pans, utensils, glassware, bath towels, sheets, pillows, pillowcases and light blankets are provided.
- You should bring food and drink as well as kitchen supplies such as tin foil, plastic wrap, plastic bags, paper towel, toilet paper and trash bags.
- Consider bringing seasickness medication just in case. Scopolamine (Trans Derm Scope) is available by prescription, and it is recommended to get a prescription. Bonine is available over the counter.
- Don't forget personal items: toiletries, soap, prescriptions, sunscreen, etc.
- Please bring beach towels.
- Don't forget chargers for your electronic items like cell phones and iPods. Please bring DC (cigarette lighter) chargers if you have them.
- If you have children, please bring life preservers for them.
- There are two TVs on board – one in the aft cabin and one in the saloon – as well as a selection of recent DVDs. If you have DVDs, consider bringing them.
